

Dear Music Parents and Guardians,

Welcome back to another exciting year with the Semiahmoo Secondary School Music Program. Your son or daughter is continuing on a wonderful journey with their music education that, as parents, we know will be a life-long connection to the world of music and also to the music family of Semiahmoo Secondary School. We are looking forward to working with you this year to ensure students have another great year in music at our school.

We hope your student will do their best to welcome our new Grade 8 students and you have an opportunity to invite our new Grade 8 parents to the Semiahmoo Music Society meetings.

We encourage you to check our web site, created and maintained by RW Networks Inc. There you will find information on up-coming performances and tours as well as schedules of meetings and concerts for the school year. In addition to the hard copy distributed at the beginning of the year you will find it “online” with updates during the year. Want to hear how our students played last year?

Go to www.semiahmoomusic.com.

One of the reasons our music program is so successful is the great support that music parents offer to the program. You have the opportunity to join the Semiahmoo Music Society. As a member you have a chance to meet with other parents and be part of the many decisions made to support the year’s calendar. As a member of the SMS you are part of the music family at Semiahmoo Secondary School.

Again, welcome back to a new school year and to the Music program.

We look forward to seeing you again.

Sincerely,

Glenn Wright, President
Semiahmoo Music Society
