How this works is very simple!

When parents, staff, family members, relatives etc. book a holistic wellness service or consultation with one of our therapists at the White Rock Wellness Centre they simply inform us that they are with the SMS school program and we will donate the amount of \$10.00 per service/consultation towards the SMS program.

When you purchase products from the White Rock Wellness Store simply inform the staff member that you are will the SMS school program and 10% your purchase will recorded as donation back to our school music program!
